

MINING ENGINEERING INDEX TO VOLUME 58

January-December 2007

PART I

Feature Articles, Technical Papers, Industry Newswatch, News Briefs, Technology News Washington Survey, The Drift of Things and New Media

* Denotes feature article or technical paper

1872 Mining Law

- 1872 Mining Law Reform passes House, still faces uphill battle Dec 9
- Legislation to reform 1872 Mining Law introduced to Congress Jun 6
- New Congress to focus on coal-to-liquid, climate change and 1872 Mining Law Feb 6
- 1872 Mining Law Reform passes House, still faces uphill battle Dec 9
- 1970s - SME moves headquarters from New York* Gleason, W.M., Feb 33
- 1990s - politics and the environment* Renner, G. Feb 41
- 4,601 attend SME Annual Meeting and 50th anniversary celebration* Kral, S. Jun 65

A

Accidents

- Roof collapse kills two coal miners Feb 21
- Circuit breaker lead to fatal explosion May 12
- Mining deaths and possible penalties discussed at PDAC Apr 52
- MSHA finds lightning caused Sago accident Jun 14
- MSHA issues first find under new procedures May
- New safety legislation introduced Oct 7
- One miner killed in cave-in Aug 18
- Sago continues to effect the industry Jul 22
- Three killed in accident at Indiana coal mine Sep 10
- Two cave-ins at Crandall Canyon Mine kill three, trap six Sep 10
- West Virginia mine is fined \$1.5 million by MSHA May 12

Acquisitions

- Alcoa launches \$27 billion hostile takeover of Alcan Jun 10
- Anglo Coal to invest in China coal project Jan 23
- Barrick Gold to acquire Arizona Star Resource Group Dec 13
- Deal would create world's leading primary silver producer Jun 10
- Freeport-McMoRan Phelps Dodge deal gets approval Apr 14
- Katanga to buy Nikanor for \$2.1 billion Dec 22
- Lundin acquires Rio Narcea in \$1 billion deal May 14
- Norlisk wins bidding war for Lion Ore Jul 10

Northern Dynasty and Anglo

- American partner up at Pebble Project Sep 12
- NovaGold holds off Barrick Jan 23
- NovaGold and Teck Cominco to join forces to build Galore Creek Mine Jul 12
- Rio Tinto declines takeover offers by BHP Billiton Dec 13
- Rio Tinto makes \$38.1 billion bid for Alcan Aug 10
- Takeovers on track for a record year in 2007 Apr 16
- Teck Cominco offers friendly \$4.1 billion bid for Aur Resources Aug 10
- Three deals make Consol Energy one of the most active Aug 12
- Uranium One bids \$1.6 billion for Energy Metals Jul 10
- Vulcan Materials commits to Florida aggregates Apr 10
- Xstrata agrees to buy LionOre for \$4 billion May 13
- Yamana Gold and Meridian reach agreement Nov 10
- Zinifex and Umicore to merge Jan 23
- Adu-Acheampong, A. Application of propeller fans at Wisconsin Industrial Sand - a case study* Sep 57
- Advances in dry jigging improves coal quality* Weinstein, R., Snoby, R. Jan 29

Africa

- Bonaparte begins diamond mining operations near Namibia Mar 16
- China loans \$5 billion to Democratic Republic of Congo for mining Nov 19
- DeBeers and Botswana form diamond trading company joint venture Apr 22
- DeBeers, Alrosa agree to explore for diamonds in Russia and Africa Aug 22
- Gem Diamonds IPO increases by a third Mar 16
- Newmont's Ahafo Mine - gold mining in West Africa* Jorgensen, M.K. Apr 23
- Uranium could be Namibia's resource of the future Mar 14
- After 50 years, SME remains world's premier professional mining association* Kral, S. Feb 25

Aggregates

- California aggregates are there, but can they be mined? Apr 10
- Mining Florida aggregates might get easier May 19

Noise assessment of stone/aggregate mines: six case studies* Aug 55

- U.S. industrial minerals production valued at a record \$46 billion Jun 4
- Vulcan Materials commits to Florida aggregates Apr 10
- Ahafo Mine, Newmont's Ahafo Mine - gold mining in West Africa* Jorgensen, M.K. Apr 23

AIME

- After 50 years, SME remains world's premier professional mining association* Feb 25
- SME remains the world's premier mining society Feb 4
- United Engineering Foundation advances engineering arts and sciences Freas, R. Jan 9

Alaska

- annual review* May 61
- Appeals court overturns gold mining permit May 16
- Environmental Protection Agency pulls approval of Red Dog water permit Nov 16
- Fort Knox gets the final permit for cyanide extraction process Dec 14
- Northern Dynasty and Anglo American partner up at Pebble Project Sep 12
- Northern Dynasty Mines' Pebble project: a strategic resource for Alaska* Apr 29
- Northern Dynasty's Pebble Project a model for grassroots expansion Apr 4
- NovaGold allowed to proceed at Rock Creek gold mine Jul 19
- Olympic gold is just one aspect of Teck Cominco* Feb 53
- Red Dog leads the way for Teck Cominco Mar 21
- Rio Tinto invests more in Pebble property Mar 18
- Albanese, T., Rio Tinto joins U.S. climate change coalition Oct 18

Alberta

- Demand for Canadian oil could double in the next eight years Aug 20
- Design begins on Fort Hills oil sands project Aug 20
- Manitoba, Alberta at the top of the Fraser Survey Apr 12
- Prime Meridian Resources sets sights on Michigan Apr 18
- UTA may sell 30 percent of oil sands interest Aug 20

Alcan

Alcoa launches \$27 billion hostile takeover of Alcan Jun 10
Rio Tinto makes \$38.1 billion bid for Alcan Aug 10

Alcoa

Alcoa launches \$27 billion hostile takeover of Alcan Jun 10
Alcoa plans to cut jobs Jan 28
Alcoa's coal-fired plant in Texas gets approval from federal judge Apr 61
Rio Tinto makes \$38.1 billion bid for Alcan Aug 10
Allair Jig, Advances in dry jigging improves coal quality* Jan 29

Aluminum

Alcoa launches \$27 billion hostile takeover of Alcan Jun 10
Aluminum smelter planned for Abu Dhabi Mar 23
Rio Tinto makes \$38.1 billion bid for Alcan Aug 10
Rusal, Sual Group complete mega merger May 20
UC Rusal to invest \$11 billion in increase metal output Nov 19
Ambatovy, nickel project receives \$2.1 billion finance agreement Oct 18
Amfire to open new coal mine Jan 25
Analyzing the Major Mines of the World Nov 109
Andalusite, Industrial Minerals Review* Jun 40

Anglo American

Global mining index hits Toronto Stock Exchange Jul 23
Northern Dynasty and Anglo American partner up at Pebble Project Sep 12
Anglo Coal, to invest in China coal project Jan 23

Annual review

Coal review* May 49
Exploration review* May 37
Mining review* May 25
State summaries* May 61
Antelope uranium project: comparison of ISR and heap leach extraction* Beahm, D. Sep 17
Anvil, War crimes trial begins for former Anvil Mining employees Feb 18
Appalachia, Mountaintop mining and sustainable development in Appalachia* Mar 48
Appalachian Basin, Technique to assess hazards in underground stone mines: the roof-fall risk index* Jan 49
Appeals court sides with STP in railroad suit Feb 6
Application of propeller fans at Wisconsin Industrial Sand - a case study* Adu-Acheampong, A., McGunagle, B., Stauffer, T. Sep 57

Arch Coal

U.S. coal - striving for higher safety benchmarks* Oct 33
Utilities increase coal inventories to combat delivery risks Sep 15

Argentina

Argentina's court rules against cyanide use Jun 12
Barrick offers \$10 million for key to unlocking silver deposit Nov 12

Despite political concerns, Latin America is still a mining hot spot* Jul 48

Xstrata plans to become top copper producer Jan 24

Arizona

annual review* May 67
Augusta's concessions might not be enough Aug 16
Barrick Gold to acquire Arizona Star Resource Group Dec 13
Cemex to construct \$400 million cement manufacturing facility in Arizona Dec 21
McCain vows to press for climate change legislation vote Jan 6
Mining Foundation of Southwest honors its 2007 inductees* Nov 40
Modeling for real-time performance measurement: a strategic approach* Mar 39
Washington Group International picked to restart copper mine in Arizona Jun 18
Arizona Star Resources, Barrick Gold to acquire Arizona Star Resource Group Dec 13
Arkansas, NovaGold's wetland permit is reinstated Apr 22
Army Corps of Engineers, Fort Knox gets the final permit for cyanide extraction process Dec 14

Arnold, J.

4,601 attend SME Annual Meeting and 50th anniversary celebration* Jun 65
An open letter to Bob Murray Oct 6
Cody's Story May 8
Dear Mr. Chief Executive Officer Dec 6
James R. Arnold: an interview with the 2007 SME President* Mar 29
Making the connection Sep 8
Mine life Jul 6
Shortages - the past predicts the future Jun 8
SME well-positioned for another 50 years Feb 26
The mining life Nov 6
Arsenic removal from drinking water by limestone-based material* Davis, A., Webb, C., Dixon, D., Sorensen, J., Dawadi, S. Feb 71

Asarco

Asarco begins settlement talks Mar 23
Asarco copper smelter could get ruling from Texas court Aug 24

Asia

Molybdenum projects come online in Australia and Asia Jan 12
Southeast Asia could become bauxite player Jan 26
Atlanta, Carbonate minerals focus of 2006 Dreyer Conference* Jan 39
Augusta Resources, Augusta's concessions might not be enough Aug 16
Aur Resources, Teck Cominco offers friendly \$4.1 billion bid for Aur Resources Aug 10

Australia

BHP Billiton upgrades Olympic Dam ore resource Nov 18

Cleveland-Cliffs buys Australian coal project stake Feb 20

Deal would create world's leading primary silver producer Jun 10
Goldcorp sells Peak gold mine to GPJ Ventures Apr 14

Molybdenum projects come online in Australia and Asia Jan 12

Oxiana mergers uranium arms Sep 16

Recently discovered diamonds provide clues to the secrets of the Earth Oct 12

Rio Tinto shifts Australian coal focus to Clermont Feb 20

Rio Tinto will invest \$350 million on Australian iron ore project Sep 13

Zinifex and Umicore to merge Jan 23
Australian Northern Territory, Molybdenum projects come online in Australia and Asia Jan 12

Awards, Peabody Energy wins two environmental awards Feb 20

B

Babich, E.R. Noise assessment of stone/aggregate mines: six case studies* Aug 55

Back injury control measures for manual lifting and seat design* Gallagher, S., Mayton, A.G. Dec 41

Bajpayee, T.S. Technique to assess hazards in underground stone mines: the roof-fall risk index* Jan 49

Ball clay, Industrial Minerals Review* Jun 19

Barite, Industrial Minerals Review* Jun 20

Barr, R. Modeling for real-time performance measurement: a strategic approach* Mar 32

Barrick Gold

Barrick finds new ore at old deposit Sep 12
Barrick Gold to acquire Arizona Star Resource Group Dec 13
Barrick offers \$10 million for key to unlocking silver deposit Nov 12
Despite political concerns, Latin America is still a mining hot spot* Jul 48
Homestake Mine could house proposed underground lab Aug 4
New life with new reserves found Oct 14
Nova Gold holds off Barrick Jan 23
Simulation modeling validates load and haul requirements at Cortez Gold Mines* Jan 39
Bartos, P. Specimen mining at the Sweet Home Mine in Colorado's Alma District* Aug 29
Bauer, E.R. Noise assessment of stone/aggregate mines: six case studies* Aug 55
bauma 2007, More than 500,000 attend bauma 2007* Jul 41

Bauxite

Rio Tinto makes \$38.1 billion bid for Alcan Aug 10
Southeast Asia could become bauxite player Jan 26
Bauxite and alumina, Industrial Minerals Review* Jun 21

Beahm, D., Antelope uranium project: comparison of ISR and heap leach extraction* Sep 17
Bentonite, Industrial Minerals Review* Jun 21

Bessinger, S.L. Installation of a ventilation shaft at San Juan Coal* Jan 35

BHP Billiton

BHP Billiton upgrades Olympic Dam ore resource Nov 18
BHP opens copper project in Chile May 17
BHP, Codelco to help pay costs at Chilean utility Jul 22
Despite political concerns, Latin America is still a mining hot spot* Jul 48
Global mining index hits Toronto Stock Exchange Jul 23
Installation of a ventilation shaft at San Juan Coal* Jan 35
Leica Geosystems helps Navajo Mine increase productivity Mar 41
Rio Tinto declines takeover offers by BHP Billiton Dec 13
Uranium demands stretching BHP Apr 22
BHP Copper, Washington Group International picked to restart copper mine in Arizona Jun 18
Blackstone Ventures, Blackstone buys 55 mines from Xstrata Nickel Mar 20
Bodman, S., Dakota Gasification makes good on \$39 million payment to DOE Jun 16

Bolivia

Bolivia to make mining firms JVs Jul 51
Bolivian troops seize Glencore's tin smelter Mar 22
Bolnisi Gold, Deal would create world's leading primary silver producer Jun 10
Botswana, DeBeers and Botswana form diamond trading company joint venture Apr 22
Boxer, B., New Congress to focus on coal-to-liquid, climate change and 1872 Mining Law Feb 6
BP, Rio Tinto and BP join forces to develop clean energy worldwide Jul 20

Brazil

CVRD plans to double nickel output in five years Jul 16
CVRD to supply iron ore to Thyssen Krupp Jan 14
Despite political concerns, Latin America is still a mining hot spot* Jul 48
Sao Luis discovers diamonds in Brazil Jul 51

Bre-X

Bre-X geologist cleared of insider trading charges Sep 14
Gold scandal rocks Southwestern Resources Sep 14
Brisas project, Gold Reserves gets permission to operate in Venezuela May 15

British Columbia

British Columbia invests in its own mining future Apr 51

Endako molybdenum mine life is extended by 27 years Aug 24
Mining company, aboriginal group relations Apr 4
NovaGold updates plans for Galore Creek Apr 18
U.S. Supreme Court shows interest in Teck Cominco pollution case Jul 18

Bromine, Industrial Minerals Review* Jun 22

Brouwer, K. Northern Dynasty Mines' Pebble project: a strategic resource for Alaska* Apr 29

Buckingham, D. Nanotechnology - an emerging technology* Dec 23

Bulk handling systems keeps explosive plant clean Nov 44

Bumbico, T., U.S. coal - striving for higher safety benchmarks* Oct 33

Bumi Resources, India's Tata Power makes \$1.3 billion coal purchase May 18

Bumpers, D., Remember mining law reform? Sep 4

Bunning, J.

Carbon dioxide storage legislation introduced May 6

Mine safety research funding gets \$13 million in new bill Nov 8

Burgess-Limerick, R. Ergonomic interventions at Vulcan Materials Company* Nov 54

Burgess-Limerick, R. Preventing equipment related injuries in underground U.S. coal mines* Oct 20

Bush, G.

1872 Mining Law Reform passes House, still faces uphill battle Dec 9

Bush proposes major USGS cuts Mar 4

Bush signs mine safety tax package into law Feb 6

Carbon capture demonstrations will be commissioned soon Sep 6

Global warming addressed at White House discussion Sep 6

House members ask for FutureGen funding Apr 8

McCain vows to press for climate change legislation vote Jan 6

President Bush unveils new climate change strategy Jul 8

President fares well in climate debate at G-8 summit Jul 4

President's budget includes \$9 for DOE, \$13.5 million for MSHA Mar 6

Summit finds support for energy independence, production of CTL fuels Jun 6

Tax incentives aimed at improved mine safety Jan 4

Byrd, R., Mine safety research funding gets \$13 million in new bill Jul 8

C

Cable shovel health and longevity in formation excavation* Frimpong, S., Li, Y. Dec 50

California

annual review* May 73

California aggregates are there, but can they be mined? Apr 10

Cameco

American West is at the center of uranium rush Feb 7

Cameco sets timetable to salvage flooded Cigar Lake Mine Mar 10

Report says Cameco underestimated risk at Cigar Lake Mine Jun 13

Campbell Resources, Campbell to begin mining at Merrill Island Oct 16

Canada

Aboriginal issues will continue for Canadian mining industry Apr 53

Boojum offers a solution to acid mine damage Feb 63

British Columbia invests in its own mining future Apr 51

Cameco sets timetable to salvage flooded Cigar Lake Mine Mar 10

Canada: a world class diamond producer* Apr 46

Canadian mining is truly global Feb 4

Canadian Metals and Mining industry Nov 109

Canadian mining leaders create climate change task force Apr 52
CVRD boosts spending for nickel operations Mar 20

Demand for Canadian oil could double in the next eight years Aug 20

Denison looks to expand through bid for OmegaCorp Feb 60

Design begins on Fort Hills oil sands project Aug 20

Exploration, mining and First Nations engagement* Apr 41

Fort Hills oil sands potential gets a boost Apr 51

Goldcorp mine first in world to follow Cyanide Code* Feb 59

Goldcorp sells Peak gold mine to GPJ Ventures Apr 14

Iamgold announces results from the Westwood-Moosha project Feb 60

Jaguar Nickel earns Canadian patent Jan 25

MacLean Engineering growing in Sudbury Feb 61

Manitoba, Alberta at the top of the Fraser Survey Apr 12

Mining deaths and possible penalties discussed at PDAC Apr 52

More high-grade gold is discovered at McGarry property Oct 14

Mountain Province retracts Gahcho Kue Study Oct 17

Nickel projects in Ontario experiencing good progress Apr 54

NL Technologies launches new VoIP handset Feb 62

Norlisk wins bidding war for Lion Ore Jul 10

NovaGold and Teck Cominco to join forces to build Galore Creek Mine Jul 12

NovaGold updates plans for Galore Creek Apr 18

Olympic gold is just one aspect of Teck Cominco* Feb 53

Optech lasers earn ATEX certification Feb 64

Pend Oreille Mine increases productivity with YeloRoll Rollers Apr 50

Peregrine Diamonds says it might have next big diamond mine in Northwest Territories Nov 16

Prime Meridian Resources sets sights on Michigan Apr 18

Projected costs at Northwest Territories diamond mine falls \$200M Mar 17

Removable insulation blankets improve safety in underground mines Feb 62

Report says Cameco underestimated risk at Cigar Lake Mine Jun 13

Tenke Fungurume copper-cobalt project moves forward Feb 61

UTA may sell 30 percent of oil sands interest Aug 20

Virgin River report finds high-grade uranium Apr 54

Xstrata Nickel plans to double by 2012 Feb 8

Xstrata plans to become top copper producer Jan 24

Carbon sequestration

Carbon capture and storage legislation is approved Aug 8

Carbon capture demonstrations will be commissioned soon Sep 6

EERC awarded grant for carbon sequestration Jan

Report warns of bleak future if industry does not develop carbon sequestration Apr 59

Carbonate minerals focus of 2006 Dreyer Conference* Yernberg W.R. Jan 39

Caterpillar

Caterpillar and Gold Reserve finalize deal for Brisas Mine Aug 14

Caterpillar and Rio Tinto reach agreement for global supply of mining technology products Dec 29

Caterpillar explores joint venture with Mitsubishi Apr 20

Caterpillar mining division to start showing electric trucks May 21

Cement

Cemex to construct \$400 million cement manufacturing facility in Arizona Dec 21

Industrial Minerals Review* Jun 24

Centralia Mine, TransAlta turns to Powder River Basin for coal supply Jan 20

Cerro Bayo Mine, Coeur announces high-grade results at its Cerro Bayo Mine Nov 15

Cerro Verde Mine, Phelps Dodge begins expansion of Cerro Verde Mine Feb 12

Chalco, Southeast Asia could become bauxite player Jan 26

Chavez, H., Hugo raises concerns for miners in Venezuela Mar 22

Chevron, Oil companies return to oil shale fields Jul 21

Chile

Barrick Gold to acquire Arizona Star Resource Group Dec 13

BHP opens copper project in Chile May 17

BHP, Codelco to help pay costs at Chilean utility Jul 22

Coeur announces high-grade results at its Cerro Bayo Mine Nov 15

Despite political concerns, Latin America is still a mining hot spot* Jul 48

Manitoba, Alberta at the top of the Fraser Survey Apr 10

Modeling for real-time performance measurement: a strategic approach* Mar 32

Xstrata Copper considers \$10 billion in project expansion Oct 16

Xstrata plans to become top copper producer Jan 24

China

Anglo Coal to invest in China coal project Jan 23

China doubles metals imports to meet building boom demands Jun 18

China loans \$5 billion to Democratic Republic of Congo for mining Nov 19

China might partner with Zambia Mar 25

Chinese company makes offer for British copper miner Mar 23

Chinese firm to buy Peru Copper Jul 17

Copper scrap prices firm up with Chinese return to the market Feb 12

Global zinc supplies facing deficit Dec 4

Gold trade and consumption is growing rapidly in China Mar 19

Komatsu lands contracts in China and Mexico Apr 20

President fares well in climate debate at G-8 summit Jul 4

Slowdown in China contributed to copper surplus Jan 24

Southeast Asia could become bauxite player Jan 26

Cigar Lake

Cameco sets timetable to salvage flooded Cigar Lake Mine Mar 10

Report says Cameco underestimated risk at Cigar Lake Mine Jun 13

Clark, C.C. Solutions to prevent materials-handling injuries in underground coal mines* Feb 65

Clean Air Act, Supreme Court rules EPA can regulate carbon emissions May 6

Clean Water Act

New Clean Water Act guidance issued in response to court ruling Jul 8

Permits halted by West Virginia court ruling Aug 8

Clen coal technology, Concol Energy leads the way in clean-coal technology research Apr 60

Clermont Mine, Rio Tinto shifts Australian coal focus to Clermont Feb 20

Cleveland-Cliffs

Circuit breaker led to fatal explosion May 12

Cleveland-Cliffs buys Australian coal project stake Feb 20

Cleveland-Cliffs, Michigan reach agreement on lake cleanup Jan 18

Minnesota mining boasts another boom year* Jul 37

Climate change

Canadian mining leaders create climate change task force Apr 52

Carbon capture demonstrations will be commissioned soon Sep 6

Getting kinda warm, isn't it? Aug 6

Global warming addressed at White House discussion Sep 6

Goring the Nobel Peace Prize Dec 7

McCain vows to press for climate change legislation vote Jan 6

New Congress to focus on coal-to-liquid, climate change and 1872 Mining Law Feb 6

Pelosi, Hoyer urged to embrace clean coal in climate change efforts Apr 8

President Bush unveils new climate change strategy Jul 8

President fares well in climate debate at G-8 summit Jul 4

Rio Tinto and BP join forces to develop clean energy worldwide Jul 20

Rio Tinto joins U.S. climate change coalition Oct 18

Sustainable development drives SKF into its second century* Nov 39

Climax Mine, Climax Mine still on track Jan 12

Coal

23 miners die in Poland Jan 27

Advances in dry jigging improves coal quality* Jan 29

Alcoa's coal-fired plant in Texas gets approval from federal judge Apr 61

Amfire to open new coal mine Jan 25

Appeals court panel affirms air permits for Prairie State Energy Campus Oct 10

Buchanan met coal operation might resume operation Oct 8

Bush signs mine safety tax package into law Feb 6

Clean coal plant put on hold Dec 19

Cleveland-Cliffs buys Australian coal project stake Feb 20

Coal mine rescue rules are proposed by MSHA Oct 7

Coal: It's for burning Duel, M. Jan 8

Colorado coal production nine percent lower Jan 27

Consol Energy leads the way in clean-coal technology research Apr 60

Conversion of coal preparation plant fine waste to fuel feedstock for mine-mouth power plants* Sep 61

Design considerations of roof bolting under very weak roof conditions* Sep 67

Development of coal mine face ventilation systems during the 20th century* Aug 40

Final Four sites chosen for proposed FutureGen project Apr 57

Foundation Coal commissions its \$38.5 million investment Oct 8
 India's Tata Power makes \$1.3 billion coal purchase May 18
 Installation of a ventilation shaft at San Juan Coal* Jan 35
 Measurement method for determining absorption coefficients for underground mines* Nov 59
 Mine face ventilation: a comparison of CFD results against benchmark experiments for the CFD code validation* Oct 49
 Mountaintop mining and sustainable development in Appalachia* Mar 48
 National Commission on Energy Policy solicits ideas about the future of coal* Nov 38
 Nation's biggest coal-fired plant could be larger than expected Apr 62
 New Powder River Basin coal mine is in the works Jun 16
 New safety legislation introduced Oct 7
 Olympic gold is just one aspect of Teck Cominco* Feb 53
 Peabody Energy wins two environmental awards Feb 20
 Peabody Energy's Caballo Mine earns Wyoming Engineering Society's Project of the Year Award Apr 61
 Peabody supplies coal for liquid fuel Jul 20
 Pelosi, Hoyer urged to embrace clean coal in climate change efforts Apr 8
 Preventing equipment related injuries in underground U.S. coal mines* Steiner, L. Oct 20
 Report warns of bleak future if industry does not develop carbon sequestration Apr 59
 Rio Tinto shifts Australian coal focus to Clermont Feb 20
 Roof collapse kills two coal miners Feb 21
 Safety top concern at Rocky Mountain Coal Mining Institute conference * Aug 52
 Sago continues to effect the industry Jul 22
 Smaller coal operators could be hurt by new regulations* Nov 32
 Solutions to prevent materials-handling injuries in underground coal mines* Feb 65
 Summit finds support for energy independence, production of CTL fuels Jun 6
 Three killed at accident in Indiana coal mine Sep 10
 TransAlta turns to Powder River Basin for coal supply Jan 20
 Two cave-ins and Crandall Canyon Mine kill three, trap six Sep 10
 U.S. coal - striving for higher safety benchmarks* Oct 33
 U.S. Coal sets another record May 4
 Utilities increase coal inventories to combat delivery risks Sep 15
 West Virginia delays release of Sago Mine report Jan 22

Coal-to-liquid

Future looks bright for coal according to Department of Energy Jan 6
 House subcommittee hears from Coal-to-Liquids Coalition Oct 7
 Mine safety research funding gets \$13 million in new bill Nov 8
 New Congress to focus on coal-to-liquid, climate change and 1872 Mining Law Feb 6
 Peabody supplies coal for liquid fuel Jul 20
 Remember mining law reform? Sep 4
 Summit finds support for energy independence, production of CTL fuels Jun 6

Cobalt

China loans \$5 billion to Democratic Republic of Congo for mining Nov 19
 Lundin agrees to acquire Tenke in \$1.4 billion deal May 17
 Tenke Fungurume copper-cobalt project moves forward Feb 61

Codelco

BHP, Codelco to help pay costs at Chilean utility Jul 22
 Despite political concerns, Latin America is still a mining hot spot* Jul 48

Coeur d'Alene Mines

Appeals court overturns gold mining permit May 16
 Coeur announces high-grade results at its Cerro Bayo Mine Nov 15

Cole, G. Measurement method for determining absorption coefficients for underground mines* Nov 59
 Coleman, P. Data mining mine safety data* Aug 64

Colombia, Despite political concerns, Latin America is still a mining hot spot* Jul 48

Colorado

4,601 attend SME Annual Meeting and 50th anniversary celebration* Jun 65
 annual review* May 76
 Clean coal plant put on hold Dec 19
 Cleanup of Leadville held up by review Nov 17
 Climax Mine still on track Jan 12
 Colorado coal production nine percent lower Jan 27
 Cripple Creek & Victor Gold Mining files suit over stolen gold Feb 18
 Energy Fuels to build first U.S. uranium mill in 25 years Sep 15
 Gale Norton joins Shell's oil shale project Feb 18
 Iron Hill (Powderhorn) carbonatite complex, Gunnison County, CO - a potential source of several uncommon mineral resources* Oct 56
 National Mining Hall of Fame banquet attracts near record crowd* Mar 42
 National Mining Hall of Fame celebrates its 20th anniversary in style* Dec 30
 National Mining Hall of Fame to honor four* Aug 36

Nation's biggest coal-fired plant could be larger than expected Apr 62

Newmont Mining to get back to basics Aug 18

Oil companies return to oil shale fields Jul 21

Safety top concern at Rocky Mountain Coal Mining Institute conference * Aug 52

SME elects its officers and directors at annual meeting Mar 4

Specimen mining at the Sweet Home Mine in Colorado's Alma District* Aug 29

Colorado Geological Survey, Colorado coal production nine percent lower Jan 27

Colorado School of Mines, Mines of today educating minds of tomorrow* Apr 36

Common clay, Industrial Minerals Review* Jun 25

Communications, Sustainable development drives SKF into its second century* Gleason W.M. Nov 39

Congo

Gem Diamonds IPO increases by a third Mar 16

Katanga to buy Nikanor for \$2.1 billion Dec 22

Lundin agrees to acquire Tenke in \$1.4 billion deal May 17

Tenke Fungurume construction is delayed Dec 16

Congress

Bush proposes major USGS cuts Mar 4

Bush signs mine safety tax package into law Feb 6

House members ask for FutureGen funding Apr 8

Legislation to reform 1872 Mining Law introduced to Congress Jun 6

McCain vows to press for climate change legislation vote Jan 6

Mine safety bill inspired by Crandall Canyon accident clears House Dec 9

Mine safety research funding gets \$13 million in new bill Nov 8

New Congress to focus on coal-to-liquid, climate change and 1872 Mining Law Feb 6

Pelosi, Hoyer urged to embrace clean coal in climate change efforts Apr 8

President's budget includes \$9 for DOE, \$13.5 million for MSHA Mar 6

Supreme Court rules EPA can regulate carbon emissions May 6

Tax incentives aimed at improved mine safety Jan 4

Technology and preventative measures are strengthening mine safety Nov 8

West Virginia mine is fined \$1.5 million by MSHA May 12

Consol Energy

Buchanan met coal operation might resume operation Oct 8

Consol Energy leads the way in clean-coal technology research Apr 60

New Powder River Basin coal mine is in the works Jun 16

Three deals make Consol Energy one of the most active Aug 12

Consolidated Minerals, Territory bids \$966 million for ConsMin Sep 13

Constellation Copper, Lisbon Valley Mine at record high production Jul 17

Construction aggregates, Industrial Minerals Review* Jun 26

Conversion of coal preparation plant fine waste to fuel feedstock for mine-mouth power plants* Mohanty, M.K., Das, A., Damron, B. Sep 61

Cook, R.E. Modeling for real-time performance measurement: a strategic approach* Mar 32

Copper

Asarco copper smelter could get ruling from Texas court Aug 24

BHP opens copper project in Chile May 17

BHP, Codelco to help pay costs at Chilean utility Jul 22

Campbell to begin mining at Merrill Island Oct 16

Caterpillar and Gold Reserve finalize deal for Brisas Mine Aug 14

China doubles metals imports to meet building boom demands Jun 18

China loans \$5 billion to Democratic Republic of Congo for mining Nov 19

Chinese company makes offer for British copper miner Mar 23

Chinese firm to buy Peru Copper Jul 17

Climax Mine still on track Jan 12

Copper scrap prices firm up with Chinese return to the market Feb 12

Design, construction and startup of the Ilo smelter modernization project* Nov 25

Freeport plans to sell Phelps Dodge's wire and cable business Oct 15

Freeport-McMoRan Copper and Gold became largest copper company May 20

Freeport-McMoRan Phelps Dodge deal gets approval Apr 14

Kennecott takes another step toward Michigan copper mine Feb 10

Lafayette Mining to stop production for six weeks Jan 27

Lisbon Valley Mine at record high production Jul 17

Tunneling & Underground Construction INDEX TO VOLUME 1

March, June, September, December 2007

Feature Articles, Industry Newswatch, Technology News

Chairman's Column and New Media

* Denotes feature article or technical paper

A

Accidents

- Lawmakers push for national tunnel inspectors Dec 13
- Beijing tunnel collapse raises safety fears Jun 19
- Alaska, Russia plans world's longest tunnel, a link to Alaska Sep 13
- Amet, J.-C. European tunneling technology and methods* Mar 14
- Anderson, R. Tunneling under glaciers: Galore Creek Mine access tunnel, British Columbia* Dec 19
- Argus, A. Tunneling under glaciers: Galore Creek Mine access tunnel, British Columbia* Dec 19
- Arup, URS JV selected for California high-speed rail contracts Jun 12
- Atlanta, Nancy Creek Tunnel earns civil engineering award Mar 8
- AUA Magazine, UCA of SME has its own magazine Mar 4

Australia

- Tunnel proposals on tap in Australia Sep 8
- Australia River City Motorway, Work on Australia's longest road tunnel gets an early start Jun 17

B

- Barbour, R. CSO control at Detroit's Upper Rouge Tunnel* Sep 21
- Big Dig, Lawmakers push for national tunnel inspectors Dec 13
- Black and Veatch, Design for Las Vegas pipeline begins Dec 12
- Bogota, Colombia's La Linea pilot tunnel more than 50 percent complete Mar 9

Bohike, B.

- UCA becomes SME division Dec 4
- UCA's goals require your help Sep 4

Brightwater Conveyance System

- Final Brightwater Tunnel bid below estimate Mar 10
- Brightwater Conveyance System will expand Seattle's wastewater treatment* Newby, J.F., Gilbert, M.B., Maday, L.E. Jun 31
- British Columbia, Tunneling under glaciers: Galore Creek Mine access tunnel, British Columbia* Dec 19
- Brox, D. Tunneling under glaciers: Galore Creek Mine access tunnel, British Columbia* Dec 19
- Brycus, Brycus International acquires Lunen Mar 10

C

California

- Orange County project completed Dec 15
- Preliminary design of the Caldecott fourth bore* Dec 29
- San Vicenete pipeline project progressing Jun 16
- Tunneling begins at Devil's Slide in California Dec 10
- URS JV selected for California high-speed rail contracts Jun 12

Canada

- Great things expected for '07 RETC in Toronto Jun 18
- Lovat breaks through at Olympic sites in Vancouver and London Jun 6

Chairman's column

- Tell us what you think of T&UC Mar 4
- UCA becomes SME division Dec 4
- UCA of SME has its own magazine Mar 4
- UCA on track for better things Jun 4
- UCA's goals require your help Sep 4
- Chairman's report on ITA World Tunneling Congress Jun 41
- Changjiang Under River Tunnel Project, Shanghai tunnel project will use the world's largest tunnel boring machine Mar 23
- Chen, W. CSO control at Detroit's Upper Rouge Tunnel* Sep 21

China

- Beijing tunnel collapse raises safety fears Jun 19
- Shanghai tunnel project will use the world's largest tunnel boring machine Mar 23
- City Water Tunnel No. 3, Manhattan's transformation is talk of the town at Fox Conference* Mar 20
- Columbia, Colombia's La Linea pilot tunnel more than 50 percent complete Mar 9
- Company profile, Robbins TBM will be used on Jinping-II Hydropower station Jun 42
- Crossrail, London's Crossrail receives approval Dec 11
- CSO control at Detroit's Upper Rouge Tunnel* Chen, W., Rabbaig, M.M., Habimana, J., Barbour, R., Liu, J. Sep 21

D

- Deaths, Beijing tunnel collapse raises safety fears Jun 19

- Disc cutters, New tunneling innovations revolve around more efficient disc cutter* Sep 27
- Dulles Metrorail, Dulles Corridor Project to proceed without a tunnel at Tyson's Corner Jun 8
- DYWIDAG Systems, DYWIDAG Systems acquires two companies Mar 9

E

East Side Access

- Manhattan's transformation is talk of the town at Fox Conference* Mar 20
- East Side Access Tunnel, East Side Access project gets funding boost Dec 8
- East Side CSO, Portland project enters final phase Sep 12
- European tunneling technology and methods* Fulcher, B., Neumann, C., Metzger, C., Amet, J.-C. Mar 14

F

- Florida, Miami tunnel dealt a major setback Sep 15
- Fox Conference, Registration is open for 2008 Fox Conference Dec 6
- Frost, L. Tunneling under glaciers: Galore Creek Mine access tunnel, British Columbia* Dec 19
- Fulcher, B. European tunneling technology and methods* Mar 14

G

- Galore Creek Mine, Tunneling under glaciers: Galore Creek Mine access tunnel, British Columbia* Dec 19
- George A. Fox Conference, Manhattan's transformation is talk of the town at Fox Conference* Mar 20
- Georgia
 - Nancy Creek Tunnel earns civil engineering award Mar 8
 - Nancy Creek Tunnel wins award Dec 12
- Germany
 - Alpine tunnel opens after 11 years of work Sep 14
 - Brycus International acquires Lunen Mar 10
- Gilbert, M.B. Brightwater Conveyance System will expand Seattle's wastewater treatment* Jun 31
- Gleason, W.M. Manhattan's transformation is talk of the town at Fox Conference* Mar 20

Gold, Tunneling under glaciers: Galore Creek Mine access tunnel, British Columbia* Dec 19
 Greunen, J.V. Preliminary design of the Caldecott fourth bore* Dec 29
 Ground freezing a proven technology in mine shaft sinking* Schmall, P., Maishman, D. Jun 25

H

Hatch Mott-McDonald, URS JV selected for California high-speed rail contracts Jun 12

Herrenknecht

Allegheny County gets TBM parts ahead of schedule Sep 12
 Portland project enters final phase Sep 12
 Shanghai tunnel project will use the world's largest tunnel boring machine Mar 23
 High-speed rail, URS JV selected for California high-speed rail contracts Jun 12

Highway

Preliminary design of the Caldecott fourth bore* Dec 29
 Tunneling begins at Devil's Slide in California Dec 10

I

Industry Profile, Jacobs Associates involved in all aspects of underground construction Mar 11
 Inspections, Lawmakers push for national tunnel inspectors Dec 13
 Istanbul, Robbins Hybrid solution for Istanbul sewer project Dec 14

ITA

The United States' role in the International Tunnelling Association* Sep 32
 The United States' role with the International Tunnelling Association* Jun 39
 ITA World Tunnelling Congress, Chairman's report on ITA World Tunnelling Congress Jun 41
 Italy, Alpine tunnel opens after 11 years of work Sep 14

J

J.F. Shea, San Vicenete pipeline project progressing Jun 16

K

Kiewit Pacific, Tunneling begins at Devil's Slide in California Dec 10
 Kiewit-Bilfinger, Portland project enters final phase Sep 12
 Klug, D. One accident, three deaths, two friends gone Dec 35
 Kral, S. Tell us what you think of T&UC Mar 4
 Kral, S. More than 1,300 underground professionals attend RETC* Sep 30

L

La Linea Tunnel, Colombia's La Linea pilot tunnel more than 50 percent complete Mar 9

Lepinay, D. Tunneling under glaciers: Galore Creek Mine access tunnel, British Columbia* Dec 19
 Liu, J. CSO control at Detroit's Upper Rouge Tunnel* Sep 21
 Loetschber Tunnel, Alpine tunnel opens after 11 years of work Sep 14
 London, London's Crossrail receives approval Dec 11

Lovat

Break through at North MacGregor storm sewer Sep 10
